# COMECC CARES

Please give to this year’s  
Commonwealth of Massachusetts Employees Charitable Campaign.

**What is COMECC?**

The Commonwealth of Massachusetts Employees Charitable Campaign, established in 1984, is governed by Executive Order 404. COMECC, the only authorized payroll deduction workplace solicitation, is conducted under the authority of the Secretary of Administration & Finance. COMECC is voluntary and it affords state employees the opportunity to support private, nonprofit health and human services and environmental organizations. Each year, the Secretary selects a Statewide Campaign Manager for overall management of the campaign and a Local Campaign Manager to conduct and manage COMECC in each of the regions.

**About your Statewide and Local Campaign Managers:**

This year the Charitable Campaign Coalition applied for and was selected as the Statewide Campaign Manager. The Statewide Campaign Manager is responsible for production of all materials. The following organizations applied for and were selected as the respective Local Campaign Managers:

- Action for Boston Community Development
- Community Health Charities of MA
- United Way of Central Massachusetts
- Hampshire Community United Way
- Berkshire United Way
- Region 1
- Region 2
- Region 3
- Region 4
- Region 5

The Local Campaign Managers oversee the participant application process, volunteer training, gift processing, accounting, reporting and the disbursement of funds contributed in each region.

**Why COMECC?**

COMECC is the one opportunity state employees have to share in the spirit of giving, in order to assist those who might be experiencing hardship or temporary crisis in their lives. Your one-time contribution or gift through payroll deduction can make a significant difference in the lives of children, families and communities across the state, the country and the world.

**What is the easiest way to give?**

Giving through payroll deduction is easy and convenient. You are provided with a pledge form; you determine the amount you would like to contribute, as well as which agency(ies) or federation(s) will receive your contribution, and we do the rest. Any questions you have about your pledge can be answered by contacting your office representative (key person) who has been trained by COMECC, or by calling the COMECC office directly at 617-727-1119.

**Can I change or cancel my pledge?**

Yes. Simply notify your agency’s payroll office and the change will be made. This can be done at any time.

**How is my gift distributed?**

You, the employee, determines who will receive your gift. When you give to COMECC, you have the choice of designating all or part of your gift to a particular agency or federation listed in this brochure.

**How much of my gift is used towards fund raising and administrative costs?**

Through the outstanding oversight efforts of the COMECC committees, less than 10% of the funds raised are used for fund raising and administrative costs. Because this cost is so low compared with other fund-raising campaigns, every dollar you pledge goes a very long way toward helping others.

**What happens to my gift if I do not designate it to a specific agency?**

The undesignated dollars are distributed to all of the organizations participating in COMECC in the same proportion that they received designations in the campaign.

**What about the percentage number listed in the brochure at the end of the charity’s name?**

The percentage number listed at the end of each agency/charity’s name is its fund raising and administrative expense. This percentage is computed from information the agency/charity reports to the IRS.

**Can I be acknowledged for my gift from the charity I designate?**

Yes. A request for acknowledgement of your gift by the agency(ies) or federation(s) you designated can be made by simply completing sections 6 and 7 on the pledge form with your name, address and signature. The Local Campaign Manager will forward your request to the agency(ies) or federation(s) responsible for responding.

**If you have any comments, recommendations or suggestions, please forward them to the COMECC office:**

# A Message to State Employees

During the 2002-2003 COMECC, you, the employees of the Commonwealth of Massachusetts, collectively pledged more than \$2.5 million, the highest amount ever! COMECC CARES is our 2003 theme, and it appropriately reflects your generous support of this charity drive.

Your commitment to COMECC's effort to enrich the lives of children, families and communities across the state, the country and the world has been exemplary. Together, we have made a difference, and together, we must continue to be a voice of those charitable causes we hold so very dear to us. With success comes responsibility to do more. Commonwealth of Massachusetts employees are a force in charitable giving. We set a high standard and an even higher goal for ourselves. We can accept nothing less.

The Statewide Employees Charitable Campaign Committee strives to implement COMECC and fulfill employee wishes. As always, your COMECC donation is voluntary and is meaningful to the charity or charities of your choice. We continue to adopt cost-saving measures by choosing production techniques that will deliver the highest quality materials at the lowest possible cost. COMECC is self funded, and its oversight is done by volunteers from a variety of state agencies and departments. We welcome your involvement, as a donor, a volunteer, and a voice for your community.

Join us for a great 2003 Campaign.

If you have any comments, recommendations or suggestions, please forward them to the COMECC office.
